

INTRODUCTION

HOW MUCH DO YOU KNOW? (QUIZ)

TIME: 30 min.

LEARNING OUTCOME:

Participants will understand:

- What constitutes a regulated profession
- The role of regulatory bodies
- Which professions are regulated

DESCRIPTION:

- Instruct participants to complete, on their own, the quiz on **page 2** of their workbooks.
- Take up answers as a whole class (use Answer Key provided). Try to avoid getting into in-depth discussion of licensing issues. Explain that the exercise is intended to be a starting point for the next week and that by the end of the workshop participants will understand the legislative and licensing issues thoroughly.
- You may wish to offer copies of the brochure “Access to Professions in Ontario...” from the Ministry of Training, Colleges and Universities, to anyone who would like to look up a particular profession.

**REGULATED PROFESSIONS:
HOW MUCH DO YOU KNOW? ANSWER KEY**

1. **A profession is “regulated” when:**
 - A) Entry into the profession is controlled by an organization.
 - B) There is provincial legislation defining who can practise the profession.
 - C) There are standards of practice that members of the profession must meet.
 - D) **All of the above.**
 - E) None of the above.

2. **You cannot work as a member of a regulated profession without a license.**

True False

3. **Professional regulatory bodies have responsibility for:**
 - A) Setting entry and training requirements.
 - B) Assessing qualifications and credentials.
 - C) Disciplining members of the profession.
 - D) **All of the above.**
 - E) None of the above.

4. **Professional regulatory bodies are made-up of members of the profession they control.**

True False (They are called “self-regulating” professions.)

5. **Which of the following occupations are not regulated professions?**
 - A) Architect
 - B) Lawyer
 - C) **Computer programmer**
 - D) Engineering Technologist
 - E) Chartered Accountant
 - F) Massage Therapist

6. **In most cases, people who have been educated outside of Canada are not permitted to practise their profession in Ontario.**

True False (They will be expected to meet certain requirements but many foreign-trained professionals practise in Ontario.)

7. **Most professional regulatory bodies require new members of the profession to have:**
 - A) A degree from a Canadian university or equivalent.
 - B) Work experience in Canada.
 - C) Acceptable English or French language skills.
 - D) **All of the above.**
 - E) None of the above.

(Though not all of these are required by every profession.)

REGULATED PROFESSIONS: HOW MUCH DO YOU KNOW?

Circle the correct answer for each question.
