

C. REGULATIONS GOVERNING THE AUTOMOTIVE SERVICE TECHNICIAN SECTOR

c. Debrief

- How is the apprenticeship system in Ontario similar to/different from the systems in the countries where they were trained?
- Give examples of what a “motor vehicle” is/is not.
- What other legislation regulates the trade? (*Occupational Health and Safety Act, Motor Vehicle Dealers Act, Safety Standards Certificate*)
- Which of the four certified trades related to AST most closely resemble your qualifications/experience?
- What did you learn that was new/surprising/helpful?
